

Optical Sensing using Advanced Photo-Induced Effects

**Second Call for Applicants:
4 Ph.D. Positions Available!**

Application Deadline: 19th June 2020

Do YOU want to:

- **Be a Marie Skłodowska-Curie Early Stage Researcher**
 - with generous salary (>€3,000/month) + benefits
 - must meet MSCA mobility & eligibility rules
- **Study in 2 European countries**
 - Ireland / Italy / Austria / France
- **Be awarded a double Ph.D. degree**
 - from 2 institutions (Double Doctorate/Co-tutelle)
- **Undertake multi-disciplinary research combining**
 - photo-acoustic & photo-thermal spectroscopy
 - laser design and fabrication
